

Corporate Running Team Program

The Houston Marathon Committee strives to promote a healthy lifestyle and camaraderie through running. The Corporate Running Team Program is an active way to encourage wellness, team building and charitable giving within your organization and alongside other likeminded companies. For their participation and fundraising efforts, team members will receive amenities that will enhance their race weekend experience!

How It Works

- 1) Corporate teams must have a minimum of three (3) participants and can consist of employees (full-time/part-time/contracted), family members and friends
 - Participants may participate in any combination of races – marathon, half marathon, 5K
 - The 5K will be held on Saturday, January 19, 2019
 - The marathon and half marathon will be held on Sunday, January 20, 2019
- 2) Race registration fees can be covered by each individual participant or by the company and is paid separately from the fundraising amounts listed below
- 3) The team selects one of the 64 official Run for a Reason charity partners to support
 - Members use a team fundraising page on the Houston Marathon website
 - Fundraising can be completed by team members or company contribution
 - Incentives are listed below with potential additional perks provided by the selected charity

Participation Levels & Incentives
