Sidewalk Squad Corporate Partner Program

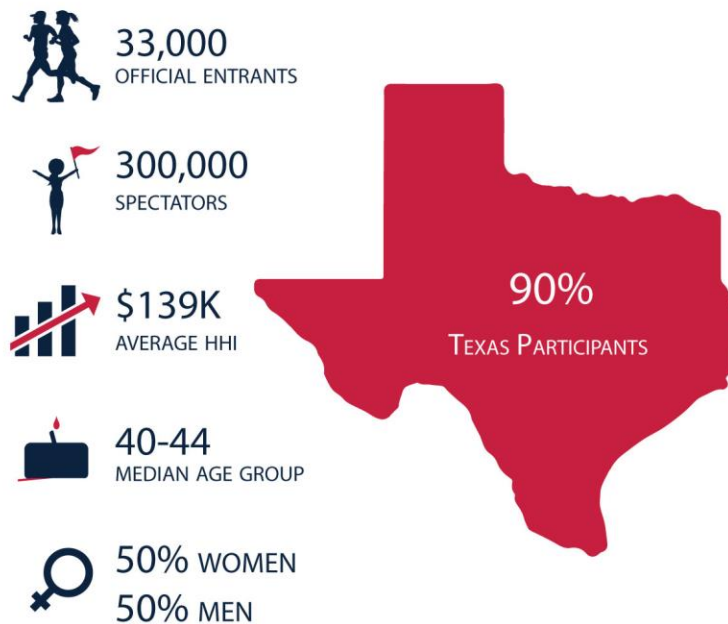

2019 Opportunities

The Chevron Houston Marathon Run for a Reason Program (RFAR) connects the philanthropic community to passionate race participants willing to raise funds and awareness for meaningful causes. In 2018, during the aftermath of Hurricane Harvey, participants raised over \$1.8 million for 58 charitable organizations. Since the program's inception in 1995, more than \$28 million has been raised to benefit various local, national and international charities – including \$20 million in the last 10 years.

As a 2019 Sidewalk Squad Corporate Partner, your company will be recognized as a prominent supporter of the Run for a Reason program through a variety of advertising, marketing and networking benefits that will be activated before, during and after race weekend. By contributing a tax-deductible donation to an official Run for a Reason charity, your company's name and logo will appear on the race course, at the pre-event EXPO, on the event website and more. In addition, all Sidewalk Squad Partner opportunities include a limited amount of race entries.

The 2019 official Run for a Reason charity list can be found [here](#).
