2018 Corporate Running Team Program

The Chevron Houston Marathon Run for a Reason Program connects the philanthropic community to passionate race participants willing to raise funds and awareness for meaningful causes. In 2017, participants raised over \$2 million dollars for 62 charitable organizations - a benchmark that has been surpassed for seven consecutive years. Since the program's inception in 1995, more than \$26 million has been raised to benefit various charities.

The Corporate Running Team Program gives your organization an opportunity to actively encourage camaraderie and employee wellness while also supporting one of the 58 Run for a Reason charity partners. For their fundraising efforts, team members will receive amenities that will enhance their race weekend experience.

The 2018 official Run for a Reason charity list can be found at www.runforareasonhouston.org.

Why should you participate?

- Social connectedness leads to employee engagement, satisfaction and retention
- Promoting your philanthropic initiatives demonstrates your social responsibility in the Houston community
- Participation aligns your brand with the positive, inspirational imagery of race weekend
