

# RACE DAY PARKING

## SUNDAY, JANUARY 16, 2022

Parking is available at privately owned surface lots and parking garages around the George R. Brown Convention Center and downtown area. The Chevron Houston Marathon does not control parking hours, payments, or price. We recommend paying by credit card or Houston parking app to ensure legitimate payment. Authorized lot attendants will not ask for cash.

In addition to the available lots and garages downtown, the Toyota Tundra Garage offers ample secure parking with easy entry and exit only three blocks from the George R. Brown Convention Center.

On Sunday race day, participants should arrive early (before 5:30 am) to allow for traffic and parking. Streets comprising the start line will close at 5:30 am. HPD will begin closing other streets in the downtown area at 5:30 am.

\*For spectators arriving after 8:00 am, we recommend parking north of Rusk for easiest access to spectator amenities.
